- 1. I have reviewed the Office of Security study on the possible use of other Federal agencies for conducting some of the Agency's more routine security investigations. In general, I tend to agree with the conclusion reached in the study.
- 2. I do not plan to forward the OS study to the Director, but will do so if you feel the issue is sufficiently important to be brought to his attention at this time. We will in due course provide the Director with a report on the status of all studies directed in Mr. Colby's 1976 Financial Guidance Letters to the Deputy Directors.
